

# THE SPIRIT *of* Adventure

The Texas Distance Learning Association invites all intrepid learning explorers to join the the journey to connect, experience new pathways and celebrate twenty years of exploring uncharted territories in learning.

Sessions focus on:

- trends in educational technology,
- innovative and best practices,
- accessibility & universal design,
- cybersecurity and data analytics,
- faculty & student support,
- workforce development,
- gamification & virtualization,
- and more.

**Gather with your fellow life long learners on March 28-31 at the Moody Gardens Convention Center in Galveston, Texas.**

Come discover the distance education adventure that explores beyond traditional learning, with keynotes from personalities like *Karl Kapp and Dr. Robbie K. Melton.*

It's an unforgettable experience you can't afford to miss!

Scholarships available for registration fees. For more details, please visit our website <http://conference17.txdla.org>
